

@ Campus Placement

LG Electronics, Noida

Proud moment for NSIC --- Nearly 16 students from Electronics & Communication Engg.(Batch 2019), Mechanical Engg. (Batch 2019) and Electrical Eng. (Batch 2018) from Raja Jait Singh Government Polytechnic, Neemka, Faridabad run by NSIC Technical Service Centre Neemka have been placed at a well-reputed LG Electronics, Noida. The Placement drive was conducted on Apr 27, 2022 at our campus. We are really thankful to Mr Manikantan Jayabalan to provide an opportunity to our students. A special mention to our respected Mr. Umesh Dixit Principal / GM for his invaluable mentorship, who always foster to focus on education and learning to achieve greater excellence. With a deep sense of appreciation, we thank Mr. Manoj Kumar Meena, Diploma Coordinator / DM Tech for his untiring efforts. We owe to Ms Renu Dahiya (DM, NSIC, Neemka) for coordinating the event. The Placement procedure started in the college premises at around 10:00 am and was proceeded with two rounds. In the initial round, an objective type test was conducted by them for the students to

check their analytical skills, wherein a total of 28 students participated. On the same day, face to face interviews were conducted for all the participants. The HR personnel were glad to see the confidence of the students and they appreciated the calibre and technical knowledge of the students. Finally, they nodded to sign MOU as well.
